

**IBC Emilia-Romagna - “Il monumento mette radici”- Everybody needs a place to think of Rita Correddu  
Permanent installation located in six libraries of the city.**

Places to listen trees and a new artistic itinerary.

Inside of six libraries, near a window: a curtain, a headphones, a mp3 player and a map.

They are tools for an unusual route into the city, signs to stop for a little while, indications for little daily adventures.

Installation is located in Amilcar Cabral Library, Giuseppe Guglielmi – IBC Library, Italian Women Library, la Salaborsa Library, Luigi Spina Library, Oriano Tassinari Clò Library (Parc of Villa Spada)

The installation is possibile to visit when the libraries are open.
